Separating Virginia from North Carolina is the SOUTHERN region – often called Virginia’s Racing Region – because it is home to three major speedways and many other raceways. With plenty to offer devoted race fans, the Southern region also has an abundance of activities for those who want to veer off the tracks. With its lively American Main Street communities, local culinary scene and a plethora of outdoor activities, Southern Virginia offers travelers the chance to immerse themselves in the heart of the region’s distinctive culture.

The Tobacco Heritage Trail, a driving route through the foothills of the Blue Ridge Mountains dating back to 1509. The trail offers a chance to experience historic charm and top-flight amenities, such as a sauna, indoor pool and gourmet dining. If you’re looking for more fun, check out The Virginia Museum of Natural History featuring a children’s “Discovery Reef”, research labs, programs and festivals.

**IF YOU HAVE A NEED FOR SPEED,** this tour is for you! Start at historic Martinsville Speedway in Ridgeway for the excitement of short-track stock car racing on this 1½-mile NASCAR track. Or get in on the action on Fast Fridays, when fans can get a dozen laps on the track in their own cars. If you’re looking for more fun, check out the Virginia Motor Sports Park. The facility is home to three major speedways and many other raceways.
