## VIRGINIA GOLF: Perfect Location, Perfect Climate

**VIRGINIA'S IDEAL LOCATION** in the Southern mid-Atlantic makes it a perfect golf destination. The nation's capital, Atlantic beaches and mile-high mountains are all nearby. Virginia's major interstate and primary U.S. highways, connecting great cities and small towns, make its golf offerings all the more inviting – in a climate that's just right.

**THIS DIRECTORY** lists golf courses open to the public in Virginia's regions. For each region, you will find a regional map with reference numbers matching the region's listed courses. Map numbers are for general location reference. While all course information was verified in December 2018, please call ahead to verify, as specifics may change.

**COURSES LISTED** all welcome visitors, and are either fully public, semi-private (daily rates for play), resort or military (play with a service member).

BEAUTY, CLIMATE, ACCESS:

# THE VIRGINIA GOLF TRIFECTA

## VIRGINIA'S GREAT WEATHER

and its geography that ranges from Atlantic Coast to beautiful piedmont to mile-high mountains make for a golfing destination that is as inviting and easy to get to as anywhere in eastern North America.

Even at its western, mountainous reaches, Virginia has a temperate, inviting climate for most of the year. Combine that with the state's location within a day's drive of 60 percent of the U.S. population – not to mention much of southeastern Canada – and you have a perfect golf destination.
